

Audit Now

**Are other processes slowing down your ability to carry out audits?
Would you like to carry out Audits quickly and easily?
Would you benefit from full control over your published Audit templates?**

Introducing the Audit Now activity from FSI.

- Audit Now allows you to carry out Audits whilst on the go
- Users have full control and are able to add images, capture signatures, and record results.
- The activity also enables you to carry out Published Audit templates quickly and easily.
- Data is then stored in your Concept Evolution system, making it fully accessible and reportable at any time.

**Audit Now from FSI:
for flexible, quick and easy auditing.**
